

ANTI DISCRIMINATION POLICY

The Tigard Basketball Association does not discriminate on the basis of race, color, religion, sex, sexual orientation, national origin, marital status, age or disability in the performance of its authorized functions, and encourages its coaches, participants, and spectators to adopt and follow the same policy. In the event any party believes that he/she has been subjected to discrimination by TBA or its agents, a written complaint may be submitted to the Hoopline, describing the circumstances of the discriminatory acts and the relief requested. The Executive Committee shall schedule a date for a hearing as soon as reasonably possible. The hearing shall be conducted in executive session unless the Executive Committee determines that there are in its judgment good reasons to conduct the hearing otherwise. The Executive Committee shall make a determination as to the validity of the complaint and take such action as it deems appropriate to remedy any discrimination that is found to exist.
